

BEACH CHAIR DISPOSABLE FACE MASK

INSTRUCTIONS FOR USE:

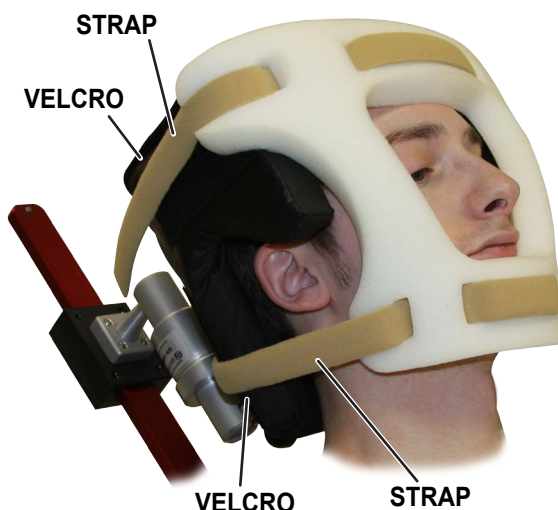

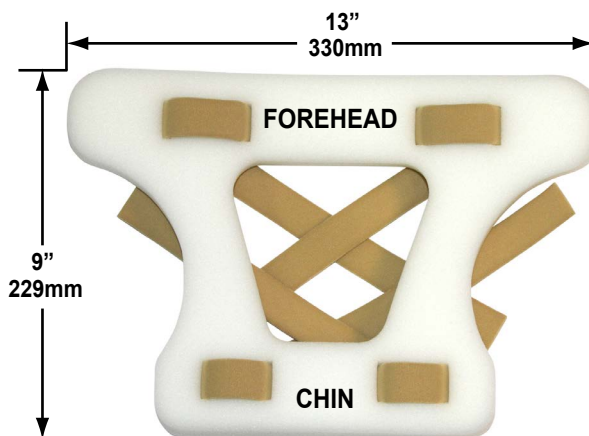

The SKYTRON Beach Chair Disposable Face Mask is intended for single use only. It is compatible with all head section types found on the SKYTRON Beach Chair and Lift Assist Beach Chair. It easily attaches to the Velcro located on the head section using the included straps. The disposable face mask offers improved security and patient comfort over traditional individual straps.

Typical Dimensions:

- Width 13" (330mm)
- Length 9" (229mm)
- Strap Length 30" (762mm)

Weight:

- 1.6oz (2.8.kg)
